

This one-day professional conference will include:

Accredited CE Programs
Informative Exhibits
Delicious Lunch

Networking with peers and industry representatives

Discharge planners, case managers, social workers, nursing home administrators, Council on Aging directors and nurses from all work settings, as well as professionals from Skilled Nursing & Rehabilitation Centers, Independent, Assisted Living, and Memory Care Communities are invited to attend.

Opportunities to earn continuing education credits and to learn about companies and the resources available in the marketplace while networking with others in the senior service industry will be offered.

CONTINUING EDUCATION CREDITS

This program has been pre-approved by the Commission for Case Management Certification to provide continuing education credit to CCM board certified case managers. Activity Code: S00033438.

Approval # 180003122. Application for social work continuing education credits has been submitted. Please contact us at South Shore Senior News, 508-212-4862, patti@southshoresenior.com for the status CE accreditation.

For additional information please contact South Shore Senior News, 508-212-4862, or patti@southshoresenior.com

3:15 pm -4:15 pm

SCHEDULE 7:30 am - 4:15 PM

7:30 am- 8:15 am - Registration, Continental Breakfast & Exhibitor Pavilion

8:15 am -9:15 am - Exhibitor Networking Meeting

8:15 am - 9:15 am - **SEMINAR #1** - (1 credit) **Generations: Making Connections**

Presenter: Edward E. Alessi, LICSW, MSW

This workshop will explore the importance of seniors as a resource to society and strategies to deal with the isolation of seniors through intergenerational programs and projects.

9:15-9:45 am - Refreshment Break in Exhibitor Pavilion

9:45 am-10:45 - **SEMINAR #2** (1 credit) **Embracing the Journey: Know your Inner Hippie**

Presenter: Phyllis DeLaricheliere, MS

This unique and interactive workshop offers a new approach on how we see those diagnosed with Alzheimer's/Dementia. You'll be introduced to your two brains and specifically, the Hippie side of your brain. Holistic tools and strategies will be taught that will assist with the most common challenges that caregivers are presented with while caring for those with the disease.

10:45-11:15 am - Refreshment Break in Exhibitor Pavilion

11:15 am-12:15 pm - **SEMINAR #3** (1 credit) **Ignite Sparks for Today's Dementia with Dementia Live™, Compassionate Touch®, and Flashback**

Presenter: Carol Corio, CMT

This "Taste of Dementia" workshop takes an introductory look at three approaches to dementia care that provide practical, high-impact methods that make it possible for people with dementia and those who care about them to live well. This interactive workshop gives you a preview to the full immersion of the "Dementia Live™ Experience" and a Compassionate Touch® technique via personal interaction resulting in a more appreciative understanding of what it is like to live with cognitive impairment and sensory change.

12:15-1:15 pm -LUNCH and RAFFLES

1:15 -3:15 pm - **SEMINAR #4** (2 credits) **Creating Positive Outcomes through Purpose, Passion, and Fun**

Presenter: Loretta LaRoche

This unique workshop will explore how to shift from pessimistic thoughts that create feelings of failure and rejection to those that are more optimistic; the use of "defensive pessimism;" how the power of exaggeration and the utilization of your "inner sitcom" can help create more positive outcomes; discovering how purpose and passion help to enhance meaning in one's life; and learning how fun can become the antidote to stress, and how you can become the fun you're seeking.

3:15 pm - 4:15 pm **SEMINAR #5** (1 credit) **Just Sing It! The positive impact of music therapy for those living with Alzheimer's**

Presenter: Eve D. Montague, MSM, MT-BC

This workshop explores the important effects of live music and live music interventions with family, care-partner, and supporting communities for those living with Alzheimer's. You will learn concrete tools to enhance the lives of those living with this disease through direct and/or indirect use of music and music activities. Learn how to work with larger communities and systems to advocate for non-pharmacological, non-intrusive interventions (music therapy), designed to improve quality of life, enhance communications and socialization, and manage pain and anxiety.
